- Easily installs on any flat surface, no assembly required
- Double sided tape to secure in place
- Made with food safe plastic
- Easy to clean
- Available in packs of 10
- Net proceeds from your purchase will be donated to charity

## PPE Disposal Bin

Prepare your terminal for new COVID-19 travel requirements with this dedicated container for the disposal of personal protective equipment (PPE). This container can be used in employee and public areas.

- 16 gauge cold rolled steel
- Distinct light blue powder coat finish
- Standard decals offer clear PPE disposal messaging.
- Custom decals for specific language requirements available
- Available with optional hood
- Polyurethane liners

## Modular Counter Options with Glass Barriers

USM modular counters are made of powder coated steel panels that are easily disinfected. These counters can be retrofitted with glass barriers to safely separate passengers from staff.
