

SAFE & PROTECTED CORPORATE ENVIRONMENTS

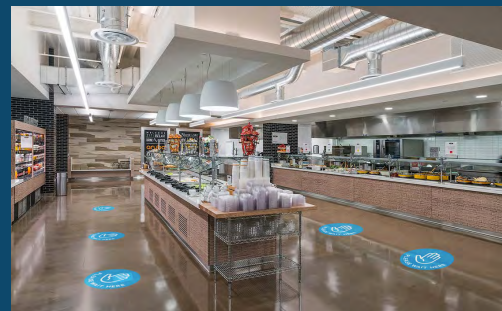

Respectful social distancing solutions from Image Options

Social distancing saves lives, jobs and money. Defining the new normal via custom spacial reminders and protecting employees without creating visual barriers is important.

At Image Options, we have developed a series of products to help you create a safe workplace while maintaining the corporate culture that makes your company unique.

The solutions that follow are only the beginning. Each can be fully customized to your brand and integrated seamlessly into your environment to create a unique experience.

- Custom Reception Shields
- Tabletop Shields
- Social Distancing Floor Graphics
 - Lobby
 - Elevators
 - Break rooms
 - Business centers
- Window and wall graphics

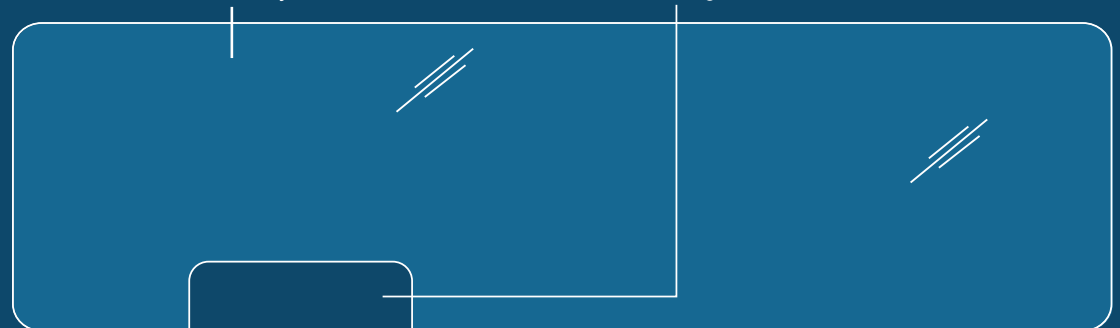

CUSTOM RECEPTION SHIELDS

Custom acrylic or glass shields protect visitors and employees. We have developed several elegant mounting solutions and can customize them to integrate seamlessly onto your existing cabinetry.

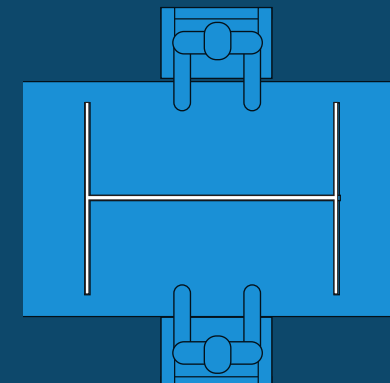

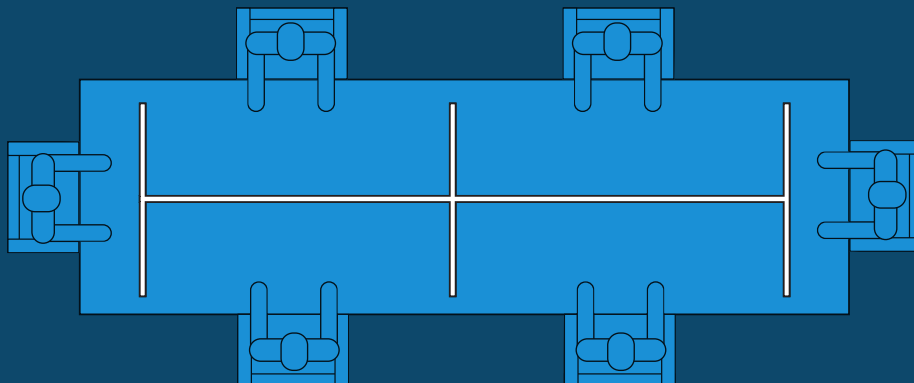

1/4" Clear Acrylic

Custom opening cut-out

CUSTOM TABLE TOP SHIELDS

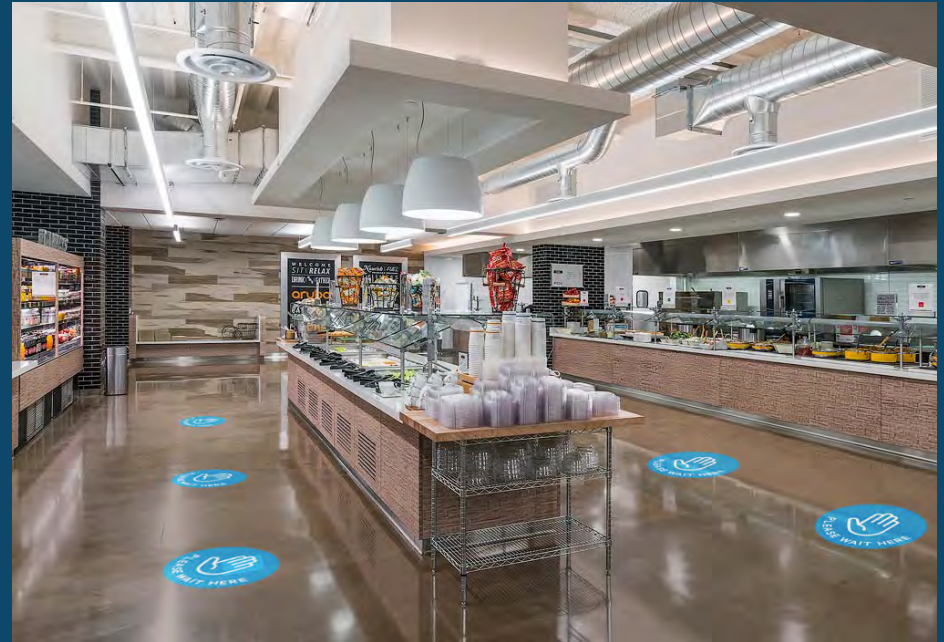

Face-to-face collaboration is important. Whether in a brainstorming meeting, a financial review, or employment interview, in-person meetings can be safe and successful. Acrylic shields can be configured for one-on-one or large board meetings.

Example of one-on-one configuration

BREAK ROOM & CAFE GRAPHICS

Social reminders can be helpful and creative. We can work with your corporate branding or create something unique and fun.

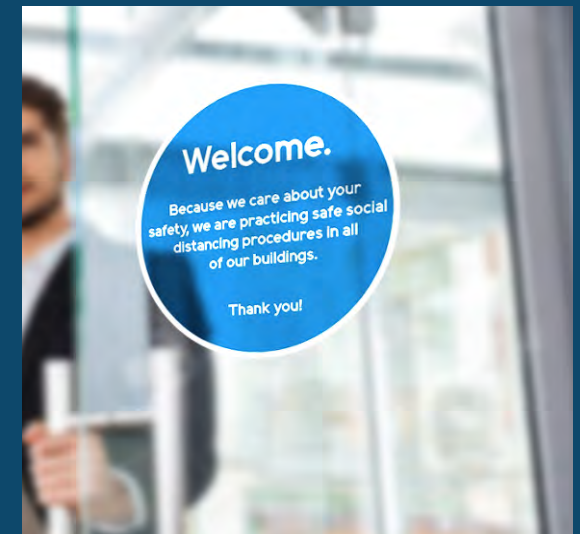

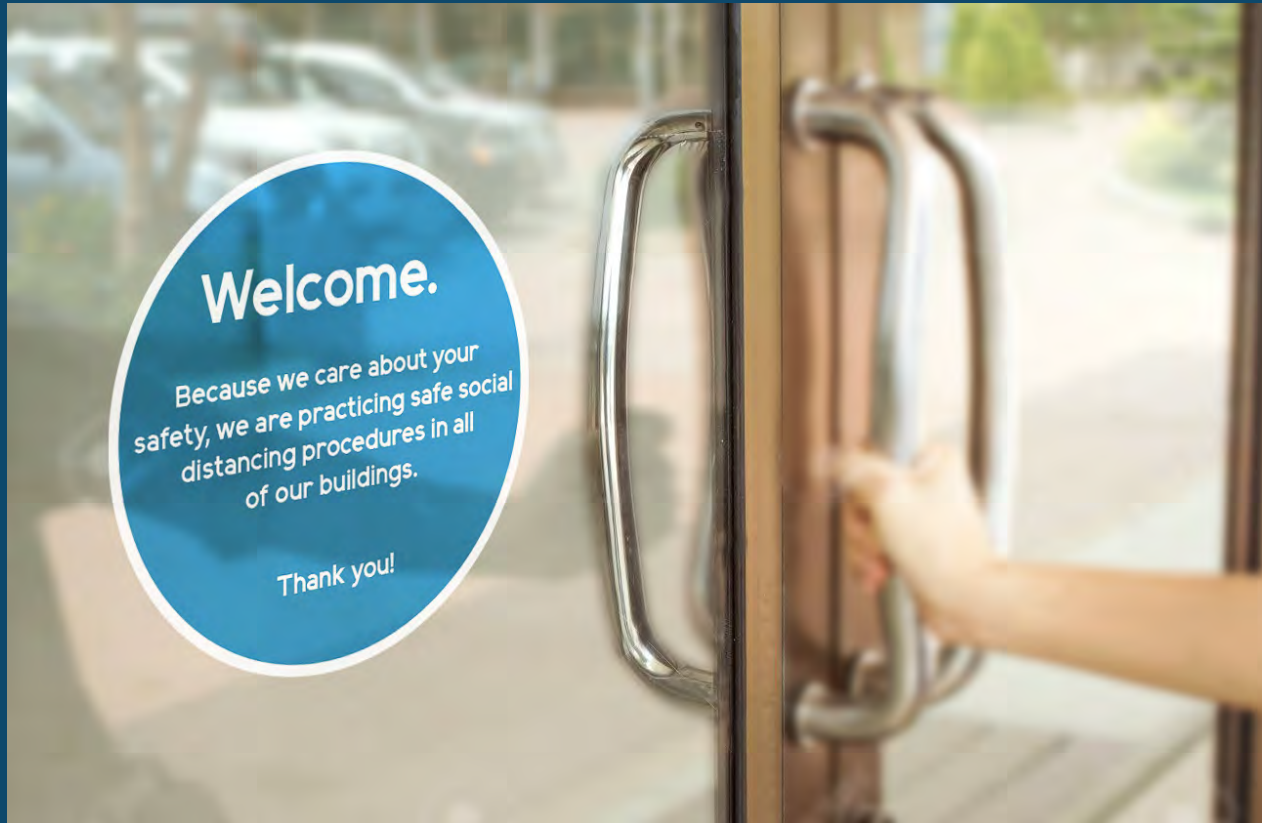

ELEVATOR, LOBBY AND BUSINESS CENTER FLOOR GRAPHICS

BUILDING EXTERIOR SIGNAGE

Friendly reminders can express concern for the safety of your visitors and employees.
