

WellGuard™ Separation Panels

by Humanscale®

Studies show that constant peripheral interruptions in the workplace can have a negative effect on employee well-being and productivity.

Humanscale's WellGuard Separation Panels offer the perfect balance of visual and acoustical privacy in collaborative open-office desking applications. Designed to accommodate a wide variety of environments, Humanscale's WellGuard Separation Panels are customizable, easy to install or uninstall when no longer required, and are highly durable over the course of time.

KEY FEATURES

- Available in Plastic Resin (PETG) or Felted PET
- Customization available (special materials, sizes and shapes)
- Multiple mounting options available
- Quickly installs or uninstalls to any workstation
